Kia ora Professor Lont,

Last week, OUSA held its annual Teaching Awards. These awards recognise excellence in teaching, demonstrating and tutoring, as identified by students.

Each year, there are many nominations. For practical reasons, only the finalists for the Awards are invited to attend the Awards Ceremony. Nicola Beatson was a Top 10 Teacher this year. However, we would also like to acknowledge and congratulate the other nominees from your Department for the 2015 OUSA Teaching Awards who weren't finalists. They were:

Dr Sriyalatha Kumarasinghe	ACCT307
Professor Timothy Crack	FINC302
Christine Smith-Han	BSNS108

Our congratulations and thanks to these wonderful teachers.

Kind regards,
Philippa
